

Submission Document

Please follow the process given below to submit your Internship Project.

Creating a Project on repl.it

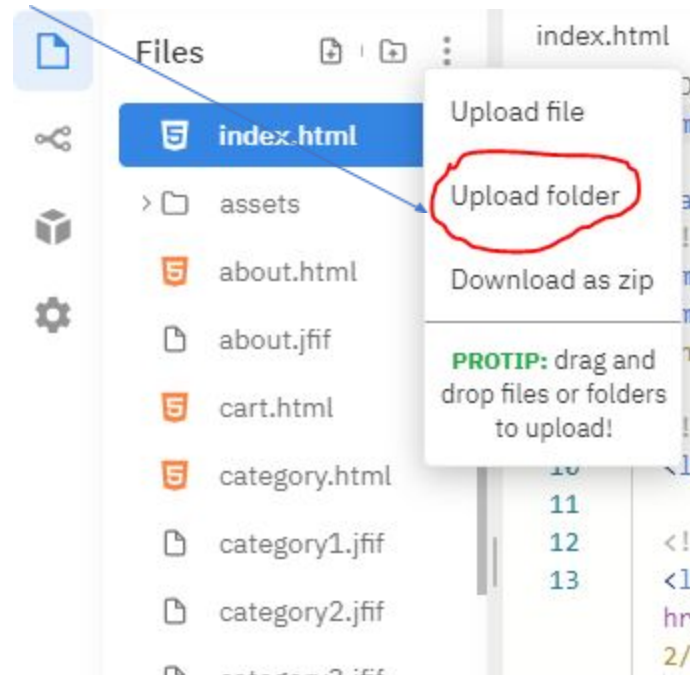

- Go to <https://repl.it/>
- Create an account
- Log in your account
- Create a new repl

Upload existing folder from your PC to repl

- Click on 3 dots
- Select Upload Folder

- Upload folder
- Set images & sources path in your code

Open your repl by clicking on your repl URL

That's it. Upload the URL in the submission form provided.
